Personal Information

<i>Affix photo here</i>	Name: Catherine Pepper Congregation: Merewether Uniting Church Presbytery: The Hunter Presbytery Synod: NSW & ACT		
What skills and experience will you bring to the Committee?	<p>I was a member of the ASC that identified the need for this project and a member of the original Act2 working group that prepared the reports to ASC and the Assembly. I presented the proposal at the reconvened Assembly and helped people understand the vision so that proposals could be drawn up that all relevant stakeholders and church big wigs could buy in to.</p> <p>I am skilled in negotiation, stakeholder management and speaking truth to power in ways that allow people to buy in. I bring a healthy distrust of the establishment, a passion for the gospel and a sense of humour. As a lay person and a "geriatric millennial " I provide a voice for an age group largely missing from the church. I also bring the wisdom, bruises and scars of trying to do something different in a part of the Uniting Church that finds accommodating new things challenging.</p>		
<p>What if any relevant experience have you had in the life of the Church?</p> <p>Specific to the Act2 Steering Committee:</p> <p>More generally:</p>	<p>I am a committed Christian and lay leader with a particular passion for environmental sustainability. I have been a member of the Uniting Church in Australia for 40 years. I have over 20 years' lay leadership experience in the Uniting Church, primarily in youth and young adult contexts in The Hunter Presbytery. I was a leader of Hunter easter camp in the 1990's and 2000's and the chairperson of The Hunter Uniting Youth Fellowship in the mid 2000's. I was the chairperson of The Commons faith community for 5 years from 2012-2017 and am currently serving my third term as a member of Assembly Standing Committee. I have studied Contemplative Christianity through the Living School of Action and Contemplation in Albuquerque New Mexico and serve local churches in Newcastle through the gift of music, singing with a capella singing group Momentum, itself a quasi faith community under the auspices of New Lambton Uniting Church.</p> <p>I was fortunate enough to be supported by my synod to attend an emerging church study tour in the United Kingdom in 2007. That experience grew my passion for fresh expressions of church.</p>		
What if any relevant qualifications do you have?	I hold degree level qualifications in environmental engineering, arts (physical geography), urban and regional planning and theology. I am a qualified company director having successfully completed the Australian Institute of Company Directors course
