

ENERGY POLICY

What are the options?

Dr Brad Smith

Policy and Advocacy Director
Nature Conservation Council of NSW

Rev Lindsay Cullen

Associate General Secretary
Uniting Church in Australia Assembly

Why should Christians take voting seriously? What are the energy policies being proposed this election?

Together, we'll learn more about the major parties' policies, how they compare, and what they mean for the environment, cost of living, and a fairer, more sustainable future.

28 April 2025

7:00 - 8:30PM
