HELD TOGETHER

A National Young Adult Gathering

20–24 January 2027

**Beginning our 50th anniversary year
walking together with the National UAICC**

Hosted by the President & the National UAICC

Young adults across the Uniting Church are invited to 'Held Together', marking the start of our 50th anniversary and our shared journey with the UAICC. Hosted by President Rev Charissa Suli and the UAICC, the gathering creates space to listen, learn and honour First Nations voices in the lead-up to the Day of Mourning, walking forward as one Church. Come as you are, encounter Jesus in real life, find your voice, and share in healing and hope. More than an event, this is about who we are becoming together.
